Notes: Learned from the Canote Brothers at the Wedgwood Alehouse, 2014.02.18

Bruce Greene most likely got it from Wallace Thompson - <http://dla.acaweb.org/cdm/ref/collection/berea/id/1894>

Wallace Thompson says it's an old Scottish tune his great-grandmother used to hum to him:

"It was an old tune then, and she was old."

Measures 1 and 5, and 2 and 6, can be pretty freely swapped for each other.
